Review report to the Board of Directors of DCM Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results ("the financial results") of DCM Limited ("the Company") for the quarter and nine months ended December 31, 2016 attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Attention is drawn to Note 1 to the financial results, wherein it is explained that the figures for the quarter and nine months ended December 31, 2015 (as adjusted) have been arrived by aggregating the separate unaudited financial results of the Company and erstwhile DCM Engineering Limited. These financial results are the responsibility of the Company's management and have been approved by the Board of Directors on February 13, 2017. Our responsibility is to issue a report on these financial results based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with applicable accounting standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Review report to the Board of Directors of DCM Limited

1. We have reviewed the accompanying Statement of unaudited consolidated financial results ("the consolidated financial results") of DCM Limited ("the Company"), its subsidiaries (collectively referred to as 'the Group') and jointly controlled entity for the quarter and nine months ended December 31, 2016 attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Attention is drawn to Note 1 to the consolidated financial results, wherein it is explained that the figures for the quarter and nine months ended December 31, 2015 have been arrived by aggregating the separate unaudited financial results of the Company and erstwhile DCM Engineering Limited (as erstwhile DCM Engineering Limited was being consolidated as a subsidiary and pursuant to the merger with DCM Limited effective from April 1, 2014 is now a division of the Company). These consolidated financial results are the responsibility of the Company's management and have been approved by the Board of Directors on February 13, 2017. Our responsibility is to issue a report on these consolidated financial results based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the consolidated financial results are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedure applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. We did not review the interim financial results of 5 subsidiaries included in the consolidated financial results, whose interim financial results reflect total assets of Rs. 344 lacs as on December 31, 2016 and total revenues of Rs. Nil for the quarter and nine months ended December 31, 2016. These interim financial results have been reviewed by other auditors whose reports have been furnished to us by the Management and our report on the consolidated financial results is based solely on the report of such other auditors.
4. We did not review the interim financial results of 3 subsidiaries of the jointly controlled entity included in the consolidated financial results, whose interim financial results reflect Group's share of total assets of Rs. 104 lacs as on December 31, 2016 and total revenues of Rs. Nil for the quarter and nine months ended December 31, 2016. These interim financial results have not been reviewed by their auditors and have been furnished to us by the Management and our report on the consolidated financial results is based solely on such unaudited interim financial results certified by the management of each of these companies. In our opinion and according to the information and explanations given to us by the Management, these financial information are not material to the Group

5. Attention is invited to note 8 of the consolidated financial results, wherein it has been explained that Purearth Infrastructure Limited, the jointly controlled entity, had received advances during earlier years aggregating Rs. 3,360 lacs for certain bookings in Plaza 4 of Central Square project and has presented these as 'advances from customers' (share of the Group in these advances are aggregating Rs. 556 lacs). The jointly controlled entity has not provided for likely losses, if any, in respect of these bookings. As explained by the management of the jointly controlled entity, it is not practicable to determine the likely loss on these sale bookings as the management is yet to draw the construction plans for Plaza 4 of Central Square project as also the resultant price escalations and other recoveries in terms of the Scheme of Restructuring and understanding arrived at with the booking holders of the project. Pending the determination of such amounts, we are unable to determine the impact, if any, of such non-accrual.
6. Based on our review conducted as above and based on the consideration of the reports of the other auditors referred to in paragraph 3 above, unaudited interim financial results certified by the management of respective companies referred to in paragraph 4 above and except for the possible effects of the matter described in paragraph 5 above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited consolidated financial results prepared in accordance with applicable accounting standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

8. Purearth Infrastructure Limited, the jointly controlled entity, had received advances during earlier years aggregating Rs. 3,360 lacs for certain bookings in Plaza 4 of Central Square project and has presented these as 'advances from customers' (share of the Group in these advances aggregates Rs.556 lacs). The jointly controlled entity has not provided for likely losses, if any, in respect of these bookings. As explained by the management of the jointly controlled entity, it is not practicable to determine the likely loss on these sale bookings as the management is yet to draw the construction plans for Plaza 4 of Central Square Project as also the resultant price escalations and other recoveries in terms of the Scheme of Restructuring and Arrangement and understanding arrived at with the booking holders of this project. Pending determination of such amounts, the management is unable to determine the impact, if any, of such accrual.
